By signing the pledge you are making a commitment to keeping your kids safe and letting them know that underage drinking and drugs are against the law and against your family values and beliefs. Your pledge is a good faith promise, not a legal contract.

Safe Homes™

Are YOU available?

Safe Homes is in our 19th year in the Eanes community. Our mission is to raise awareness and educate families about personal responsibility, teen choices and underage alcohol and drug use.

WHY SHOULD I HELP!

Many kids start drinking in middle school.

One out of every two 8th graders has tried alcohol.

More kids use alcohol than use tobacco or illicit drugs.

More children are killed by alcohol than all illegal drugs combined.

Children who begin drinking alcohol before the age of 15 are 5 times more likely than those who start after age 21 to develop alcohol problems.

Educated parents are the first line of defense.

Research shows that kids who learn from their parents about the dangers of underage drinking and illicit drugs use are 50% less likely to engage in them.

HOW CAN I HELP?

We have several opportunities for **YOU** to get involved on our committees.
Back to School, PTO, Fall Program, WHS Film Fest.

Small gift of time. Big IMPACT.

Safe Homes is an organization of thousands of Eanes parents who take a zero-tolerance approach to keeping alcohol and drugs out of the hands of children in their homes.

The cornerstone of the program is a parental pledge not to serve or allow minors to consume alcohol or use drugs in their homes.
