

SENIOR TRIBUTES & PORTRAITS

Senior portraits:

In order to appear in the yearbook, seniors are required to sit for a formal portrait with Photo Texas Photography. We encourage seniors to go to the studio for their sittings; however, the photographers will be on campus **Oct. 29-31** and **Dec. 10-11**. You will receive instructions for signing up online closer to the dates. Photographers will set up outside of Room 285 and will have the necessary apparel for students. Only photos from Photo Texas Photography will be accepted for publication in the portrait section. Please note that **Dec. 14** is the deadline for having your photo included in the yearbook.

Dear Parents of Seniors,

We are happy to offer an opportunity for you to honor your child in the 2019 yearbook by purchasing a senior tribute. By purchasing a tribute for your son/daughter, you can express your pride in his/her accomplishments. Tributes range in size from 1/8 page to a half page. Tributes can include pictures, a good luck message, congratulatory remark, etc. You might want to refer to a previous yearbook for an idea of what others have done. Please read this sheet carefully because we have made some changes from previous years.

Senior tributes are now created using an online system. You will upload your photos and messages digitally. The system allows you to build your own ad or upload a camera-ready ad. Visit jostensadservice.com to create your ad and for more information.

Please note:

Your order is not complete until you have finalized your design and submitted payment.

Tips for creating your best ad:

- Use clear, high-resolution photos. If your photo is blurry, it will be blurry in your ad.
- You can use the cropping tool on the website to crop photos to focus on your child.
- The system allows you to build your own ad or upload a camera-ready ad.
