

# WESTLAKE ROBOTICS

Westlake Robotics had a big win at the FTC Wildcard tournament in San Antonio.

The Sigmas were #1 alliance captains, finishing qualifying rounds as #1.

The Philobots finished qualifying rounds in the #2 spot.

The Rhomans finished qualifying rounds at 13<sup>th</sup>.

The Sigmas picked the Philobots and Rhomans to form a strong alliance in the final and **won** the tournament!

The Philobots also won the Judges Design Award and placed 2<sup>nd</sup> for the Think Award.

All three teams qualified for Regionals at Canyon High School in New Braunfels this weekend.

Good Luck FTC!

FRC 2468 Team Appreciate will be competing at Anderson High School on March 2nd and 3rd. It is free and open to the public. 36 teams from around the state of Texas will be competing.

So come on out and cheer on the Westlake Robotics Teams!
