AFTER SCHOOL FTC ROBOTICS NEXT YEAR  
MUST ATTEND THE  
FTC ROBOTICS BOOT CAMP/TRYOUT**

**Boot Camp is the selection process for places on next year's FTC After School Competition Teams.** We are scheduling it prior to summer to allow the new team members to begin their preparation for the fast-moving schedule, and so they may alter their course schedules if they would like to take the robotics courses instead. **Parents please plan on attending the last hour so we can discuss time commitments with you.**

- Students are expected to participate for the FULL season and attend all meetings.
- Parents are expected to volunteer for at least 10 hours with the team.
